The following Presidential Statement was adopted by the Consensus of the Security Council:

We request that the Secretary General send a Special Envoy to Peshawar, Pakistan. The purpose of this mission will be to inform the Security Council as to the specific terms of surrender of Konduz to the United Nations. This mission should supply the Security Council with all available information on the amicable, neutral body that would gain control of Konduz. This would also inform the body of any information regarding the humanitarian situation within the city. Furthermore, the Security Council would like to obtain any secure information regarding the structure and operations of the Taliban government at present time, including military information that is available. We would also like to acquire any other pertinent information the Special Envoy deems necessary.
