

THE SECURITY COUNCIL

SC/1

SUBJECT OF RESOLUTION: Situation in Afghanistan

SUBMITTED TO: The Security Council

SUBMITTED BY: Cameroon

The Security Council

1 *Reaffirming* its previous resolutions on Afghanistan, in particular resolutions 1386 (2001), 1413
2 (2002), 1444 (2002) , 1471 (2003) and 1510 (2003),

3 *Recognizing* the current security threats to the UN forces in Afghanistan,

4 *Recognizing* that Afghanistan only received half of its promised aid since 2002,

5 *Noting* Afghanistan s expressed desires to the UN Security Council to continue humanitarian aid
6 in conjunction with improved security of UN workers,

7 1. *Urges* the member states to increase humanitarian aid to Afghanistan directly correlating
8 with the security stabilization;

9 2. *Demands* the upholding Afghanistan s national sovereignty by supporting the Afghan
10 Transitional Authority with the goal of transferring full responsibility for the country s security to the
11 Authority when the Afghani government, in consultation with the UN Security Council, determines that
12 a sustainable level of economic and military stability has been achieved;

13 3. *Calls upon* all able UN member states to provide the military and financial resources needed
14 for the International Security Assistance Force to fulfill its mandate as expanded in resol ution 1510, in
15 particular the protection of UN and other aid personnel, with a goal of a security situation in which UN
16 and other international aid programs can recommence operations by 1 January, 2004;

17 4. *Draws attention* to the importance for humanitarian efforts to focus on the refugee situation;

18 5. *Encourages* multi-lateral constabulary forces to assist in training the Afghani police and
19 military forces already in training by the United States in an effort to increase the legitimacy of the
20 Afghani government;

21 6. *Recognizing* the need for the Afghan Transitional Authority to establish a presence and
22 control in the cities outside of Kabul;

- 23 7. *Calls upon* neighboring countries to continue to monitor and control borders;
- 24 8. *Urges* neighboring countries to continue to share the burden of hosting refugees in
25 conjunction with UN humanitarian efforts and requests the Secretary General to direct aid workers to
26 those areas to help deal with the needs of those refugees;
- 27 9. *Calls upon* all UN member states to participate in an international donors conference to
28 secure financial assistance to both the humanitarian efforts in Afghanistan and the Transitional Authority
29 in Afghanistan with a special focus upon a. giving assistance to refugees, b. providing for the
30 disarmament of irregular forces, through programs which provide job training and opportunities for
31 participants, c. reconstruction efforts of Afghanistan;
- 32 10. *Decides* to remain actively seized of the matter.

Passed by consensus without absetentions
