

American Model United Nations
Security Council

SC/II

SUBJECT OF RESOLUTION: The Situation In Iran

SUBMITTED TO: The Security Council

The Security Council

1 *Recognizing* the sovereignty of all member states and their inalienable right to self
2 defense,

3
4 *Bearing in mind* the Security Council's goal of providing a forum for the
5 achievement of peaceful solutions to international conflicts,

6
7 *Taking note* of the reports that an unmanned surveillance drone belonging to the
8 United States was shot down while operating in Iranian airspace,

9
10 *Realizing fully* that these have been confirmed by the United States government,
11 and their representatives have asserted that the entry into Iranian airspace was
12 unintentional,

13
14 *Also realizing* the expulsion of all International Atomic Energy Association
15 (IAEA) inspectors from within Iran,

16
17 *Affirming* the right of all nations to operate within their own borders as the nation
18 sees fit,

19
20 *Taking into account* the announcements of the Iranian government that it has
21 chosen to raise its armed forces to a heightened state of alert,

22
23 *Concerned* by the potential reverberations of the aforementioned Iranian decision
24 may have on the international community and the stability of the region,

25
26 *Reaffirming* the duty of member states to exhaust diplomatic negotiations before
27 pursuing punitive measures of any sort;

28
29 1. *Expresses* its determination to enhance the effectiveness of the United Nations
30 in preventing armed conflicts and to monitor closely situations of potential armed
31 conflict;

32
33 2. *Advises* all involved parties to work multilaterally within the United Nations
34 framework;

RES:284

35

36 3. *Encourages* all nations to honor their commitments to comprehensive solutions
37 to threats of international peace and security;

38

39 4. *Welcomes* the negotiating efforts undertaken by parties committed to the
40 peaceful resolution of international disputes and encourages them to continue their
41 efforts;

42

43 5. *Informs* the international community of its intention to monitor this situation
44 with caution and pragmatism;

45

46 6. *Requests* the Secretary General continue to update the council on any
47 developments in this situation to assist in its monitoring;

48

49 7. *Decides* to remain actively seized on the issue.

Passed by consensus, with 0 abstentions
