ECLAC/I/3

SUBJECT OF RESOLUTION: Subprogramme 3: Macroeconomic Policies and Growth

SUBMITTED TO: The Economic Commission for Latin America and the Caribbean

SUBMITTED BY: Venezuela, Argentina, Bolivia, Brazil, Colombia, Cuba, Germany, Uruguay

*The Economic Commission for Latin America and the Caribbean*

- 1        *Recalling* the hundreds of years of exploitation of the Latin American and the Caribbean  
2 States,  
3  
4        *Noting* the diverse trade partners of the various Latin American and Caribbean States,  
5  
6        *Recognizing* the sovereignty of every State,  
7  
8        *Acknowledging* the need of an economically strong Latin America and Caribbean,  
9  
10       1. *Encourages* Latin American and Caribbean States to form together as an economic  
11 bloc;  
12  
13       2. *Suggests* that Latin American and Caribbean States come together to have a free trade  
14 agreement amongst our bloc;  
15  
16       3. *Recognizes* the previous existence of MERCOSUR and its prohibition of free trade  
17 with States outside of its bloc;  
18  
19       4. *Believes* that MERCOSUR could be persuaded to modify its limited policies to allow  
20 its member nations to have free trade with other States in Latin America and the Caribbean;  
21  
22       5. *Recognizes* that States who have joined in the free trade agreement for Latin America  
23 and the Caribbean are sovereign and may choose to have free trade with any other State that they  
24 wish.
