

American Model United Nations

Economic and Social Council

ECOSOC/III/9

SUBJECT OF RESOLUTION: Annual Ministerial Review: Implementing the Internationally Agreed Goals and Commitments in Regard to Sustainable Development

SUBMITTED TO: The Economic and Social Council

SUBMITTED BY: Sudan, China, Pakistan, Romania

The Economic and Social Council

- 1 *Affirming* the necessity of fair and equal distribution of resources,
2
3 *Noting* the lack of water access in rural and developing areas of the world,
4
5 *Desiring* to make this essential resource more readily available,
6
7 *Fully believing* that this issue of water and the lack of access to water by developing and
8 under developed nations is crucial and has great emphasis on achieving the Millennium
9 Development Goals (MGD), as well as sustainable development,
10
11 1. *Calls* upon NGO's and the International Development Association to assist, if
12 necessary, in making funds available to assist in the development of water distribution projects;
13
14 2. *Urges* development of, or improvement to, water ways, wells, etc. in order to
15 efficiently bring water to inaccessible rural areas in developing regions;
16
17 3. *Further Encourages* countries striving to provide efficient water transport to seek out
18 necessary assistance to facilitate such development,
19
20 4. *Recommends* sustainable irrigation regimes to prevent water depletion or
21 desertification in both developed and under developed regions,
22
23 5. *Welcomes* cooperation with the United Nations Industrial Development Organization
24 (UNIDO) to address urban industrial regions with assistance to obtain sustainable water
25 resources,
26
27 6. *Recommends* that NGO's and ECOSOC research and implement new technologies and
28 techniques in the field of water purification.

Passed by consensus, with 2 abstentions
