The Commission on the Status of Women

- 1 *Alarmed by* lack of employment opportunities for women due to male domination in the
2 workforce,
3
4 *Bearing in mind* many women are responsible both for care giving as well as providing
5 the primary income for their families,
6
7 *Realizing* that traditional gender roles of women are long-standing cultural traditions with
8 great importance in many societies,
9
10 Recognizing that programs to expand childcare options provide women with employment
11 opportunities as care givers as well as within the professional work force,
- 13 1. *Recommends governments create public childcare programs and encourage*
14 *private childcare programs;*
15
16 2. *Encourages states to provide training and certification opportunities for*
17 *persons employed as caregivers;*
18
19 3. *Requests that governments inform women within their country of childcare*
20 *opportunities so that women may be utilized within care giving programs themselves.*
