

American Model United Nations
Economic and Social Council

ECOSOC/I/5

SUBJECT OF RESOLUTION: Protection against Products Harmful to Health and the Environment

SUBMITTED TO: The Economic and Social Council

SUBMITTED BY: New Zealand, Japan, Chile, Estonia

The Economic and Social Council

1 *Fully aware* of the difficulties in monitoring trade in a globalized economy,

2

3 *Having considered* the initiatives of the Basel Convention,

4

5 *Wishing to expand* upon certain monitoring practices established by the Basel
6 Convention,

7

8 *Recognizing* the benefits of a standardized system for increasing awareness of the
9 location and movement of regulated materials,

10

11 *Desiring* to make the transport and monitoring of products more efficient,

12

13 1. *Approves* the creation of a tracking system for monitoring the manufacture,
14 import, export, and disposal of pharmaceuticals and genetically modified products:

15 (a.) Genetically modified agricultural products include but are not limited to
16 livestock, animal products, and various forms of produce;

17 (b.) The system will consist of standardized labeling and standardized shipping
18 containers;

19 (c.) The majority of the funds for the project will be contributed by the nation of
20 Japan;

21

22 2. *Requests* the approval of the World Health Organization (WHO) in concerning
23 the implementation of these initiatives;

24

25 3. *Strongly encourages* all member states to participate in the realization of these
26 measures.
