19 *(b) Be neutral, composed of United Nations and IAEA officials and experts in*  
20 *appropriate fields;*  
21
- 22 *2. Urges* Member States to cooperate with these regional organizations so that safe, clean  
23 nuclear energy can be obtained;  
24
- 25 *3. Further requests* that the IAEA determine the location of the regional sectors that  
26 would be under the purview of these bodies;  
27
- 28 *4. Declares* that any Member States accepting aid from these bodies must accept regular  
29 inspection of their nuclear facilities on a schedule to be determined by the IAEA;  
30
- 31 *5. Stresses* that, conforming to the principle of national sovereignty expressed in

33 the United Nations Charter Article II, any Member State not wishing to participate in this  
34 program will in no way be required to do so.
