

American Model United Nations

General Assembly Second Committee

GA Second/I/3

SUBJECT OF RESOLUTION: Groups of countries in special situations: specific actions related to the particular needs and problems of landlocked developing countries: outcome of the International Ministerial Conference of Landlocked and Transit Developing Countries and Donor Countries and International Financial and Development Institutions on Transit Transport Cooperation

SUBMITTED TO: The General Assembly Second Committee

The General Assembly Second Committee

1 *Guided* by the principles set forth in the Almaty Declaration in addressing transit
2 avenues in developing States,

3
4 *Recognizing* the importance of international trade routes to Landlocked Developing
5 Countries (LLDCs),

6
7 *Deeply concerned* by the current difficulties that exist in maintaining internationally
8 important transportation infrastructure,

9
10 *Reaffirming* the voluntary nature of participation in the outlined resolution so as to
11 maintain national sovereignty,

12
13 1. *Recommends* the formation of committees within Regional International
14 Governmental Organizations (IGO)s, such as Group of 77 (G77), African Union (AU),
15 Organizations of American States (OAS) to identify trade routes of international
16 importance, including but not limited to:

- 17 (a) Roadways;
18 (b) Railways;
19 (c) Airports;
20 (d) Maritime ports;
21 (e) Pipelines;

22
23 2. Encouraging the Regional IGOs to engage in discussions concerning the regional
24 committee member states sharing the costs of maintaining regional trade routes of
25 international importance proportionally based upon the tonnage of each countries'
26 combined imports and exports that are transported via the route;

27

RES:800

28 3. *Encourages* Member States of said committees to reduce tariffs, customs, and
29 other trade barriers for fellow Member States so as to provide incentive for membership.
