SUBJECT OF RESOLUTION: Housing and Slum Upgrading

SUBMITTED TO: The United Nations Human Settlements Programme

The United Nations Human Settlements Programme,

1 *Recognizing* the Participatory Slum Upgrading Programme is already in place with a joint effort of the
2 African, Caribbean and Pacific (ACP) Group of States, the European Commission (EC) and UN-Habitat,

3 *Observing* the programme's purpose regarding its capacity in working with local, central and regional insti-
4 tutions and key stakeholders through the motives of good governance in order to upgrade slum development,

5 *Further noting* PSUP's work connection with local and national stakeholders regarding key slum upgrading
6 projects and the establishment of short term goals,

7 *Acknowledging* PSUP's work in providing a foundation for South to South cooperation and knowledge,

8 *Deeply concerned* that these efforts are coming to an end in December of 2015,

9 1. *Calls upon* the General Assembly to extend the Participatory Slum Upgrading Programme of 2008, to
10 2025;

11 2. *Recommends* all Member States that have previously participated in PSUP to both engage in knowledge
12 sharing practices and South to South cooperation;

13 3. *Welcomes* nations that have not participated in PSUP to explore opportunities within the urban initia-
14 tives;

15 4. *Suggests* a comprehensive review by all parties involved to create a foundation in the extension of the
16 practices of the Participatory Slum Upgrading Programme.
