Statement by the President of the Security Council

1 At the meeting of the Security Council, held on 1st of December, 2016, in connection with the Council's
2 consideration of the item entitled "Situation in the Middle East," the President of the Security Council made the
3 following statement on behalf of the Council:

4 The recent news of the military actions between the State of Israel, the Arab Republic of Egypt, and the
5 Syrian Arab Republic have been very concerning to everyone, especially those affected by the oil embargoes. The
6 body would like to note that we agree that all groups should have a ceasefire, as negotiated by the USSR, and then
7 use future meetings to renegotiate any other border disputes. We condemn the violence, and are not afraid to take
8 further measures to stop all military actions.

9 The Security Council will continue to pay close attention to developments.
