SUBJECT OF RESOLUTION: Promoting accountable institutions, ethical leadership and integrity to enhance confidence in efforts to deliver sustainable development

SUBMITTED TO: The Committee of Experts on Public Administration

*The Committee of Experts on Public Administration,*

1 *Noting* with deep concern the corruption that arises from human rights violations and vice versa,

2 *Guided* by the work of the United Nations Ethics Committee and their emphasis on the importance of  
3 maintaining governments based upon candor, transparency, and accountability,

4 *Expressing* appreciation for the precedence set by some Member States who have put ethical education at  
5 the forefront of their government,

6 *Taking* into consideration that corruption is a multi-faceted problem that takes time and varied approaches,

7 1. *Promotes* ethics-based service-learning classes in primary and secondary education to blend meaningful  
8 community service, civic duties, and overall academia to prevent future corruption;

9 2. *Encourages* states to release statements against corruption;

10 3. *Recommends* price limits on gifts given to any person or organization receiving pay or working for  
11 government entities to prevent the influence of corrupt nature;

12 4. *Recommends* the implementation of ethics training for public officials and the education of government  
13 employees on how to maintain upstanding ethical values;

14 5. *Supports* effective implementation of post-secondary education internship opportunities within local,  
15 federal, and international government systems;

16 6. *Encourages* the hiring and long-term placement of those involved in the aforementioned internship pro-  
17 grams into leadership positions within local, federal, and international government systems in the spirit of renewing  
18 the sense of accountability of government.
