

American Model United Nations
Historical Security Council – 1994

HSC-1994/4

SUBJECT OF RESOLUTION: The Situation in Haiti

SUBMITTED TO: The Historical Security Council – 1994

The Historical Security Council – 1994,

1 *Alarmed* by the limits of political freedom imposed by the Haitian military coup,

2 *Recognizing* the importance of peace talks in solving the issue,

3 *Dedicated* to preventing further civilian deaths on the Haitian island, as demonstrated by the removal of
4 civilian monitors from the island in October of 1993,

5 *Keeping in mind* the opportunity to reinstate civilian monitors if lines of communication between Special
6 Envoy Caputo and the Haitian military leaders reopen and the area is deemed safe for civilians,

7 1. United Nations Peacekeeping Force of Brazilian and Canadian Army Logistical Troops to appropriately
8 distribute and transport all relief and humanitarian aid provided by the international community and will distribute
9 according to UNMIH's operational needs and determinations:

10 (a) United Nations Peacekeeping Force of Brazilian and Canadian Army Logistical Troops to appro-
11 priately distribute and transport all relief and humanitarian aid provided by the international community and will
12 distribute according to UNMIH's operational needs and determinations;

13 (i) Brazil will provide 200 logistical troops and Canada will provide 100 logistical troops;

14 (b) Brazilian and Canadian forces shall be permitted to defend themselves with available and pro-
15 portional force if and when confronted with hostile threats;

16 (c) *Requests* the commander of the Brazilian forces in Haiti publish a report about observations in
17 the region and actions taken by all involved parties;

18 2. *Requests* the Secretary General to appoint a mediator for the formation of peace talks between the
19 Haitian military leaders and the Aristide faction.
