Statement by the President of the Security Council

1 Expressing concern with the continuation of the Saudi blockade preventing aid and resources from reaching
2 Yemen,

3 The body would like to move forward on encouraging diplomatic dialogue between the Kingdom of Saudi
4 Arabia and the Republic of Yemen, with the assistance of the Islamic Republic of Iran. The Members of the Security
5 Council would also like to implore all able Member States of the United Nations to send humanitarian aid through
6 the World Health Organization, World Food Programme, and United Nations Children's Fund to help alleviate the
