WHO/II/1

SUBJECT OF RESOLUTION: Global vaccine action plan

SUBMITTED TO: The World Health Organization Executive Board

The World Health Organization Executive Board,

1 *Recognizing* the need for a multifaceted and holistic approach to increasing the efficacy, reach, and impact
2 of vaccines in a way that helps the maximum number of people,

3 *Reminding* the body that a complex, long-term solution would take time to execute, and meanwhile, there
4 are still people affected by preventable infection,

5 *Recognizing* the need for a short-term solution to the problem of underserved and under-vaccinated areas,

6 *Notes* the burden of supporting and staffing sterile clinics in remote locations,

7 *Takes note of* the past initiatives of the World Health Organization (WHO) and Member States such as
8 Georgia and Bhutan,

9 1. *Proposes* the implementation of a mobile vaccine unit, in the model of a mobile-clinic, that travels to
10 regions with low vaccination rates to administer vaccines in a sterile, professional and lower-cost manner;

11 2. *Welcomes* the integration of data-sharing and data-analysis initiatives in the targeting of where the mobile
12 vaccine unit program will be targeted;

13 3. *Recommends* the integration of education programs and initiatives with the mobile vaccine unit as it travels
14 as well as partnerships with local universities and medical personnel to ensure communication and understanding in
15 served communities;

16 4. *Further invites* collaboration among governmental entities, non governmental entities such as the United
17 Nations International Children's Fund (UNICEF), the International Organization for Migration (IOM), the United
18 Nations High Commissioner for Refugees (UNHCR) and private organizations and Members States supporting the
19 vision and mission of the mobile vaccine unit to provide a more immediate and short term solution to the problem
20 of under-vaccinated areas;

21 5. *Encourages* the unified support and collaboration of United Nations (UN) Member States.
