10,000 HOURS OF VOLUNTEER WORK.

NOW THAT'S A STUDY BREAK.

AT MARQUETTE UNIVERSITY LAW SCHOOL, we believe that introducing students to the rewards of pro bono work — legal services performed at no charge, particularly for those in need — is an essential part of our approach to legal education.

But we don't require our students to donate their time. They do it because they want to — and, last year, they contributed more than 10,000 hours to our volunteer legal clinics and other pro bono programs.

We commend our students for their service, and we can't wait to see what they'll do next.

WATCH FOR THIS MAN

INCORRUPTIBLE, WISE, SIMPLE OF SPEECH

❖ He will advocate sharing the world's food and resources more equitably among nations...

Every year millions of people die needlessly from starvation, disease, and war. Millions more struggle to survive on less than \$1 a day. As long as this injustice persists, we will never know peace.

❖ He will call for massive emergency relief...

An immediate program to provide basic necessities for the poorest areas of the world—perhaps in the form of a global Marshall Plan—will be the first of many changes needed.

❖ He will turn our attention to the environment...

Pollution is the #1 killer in the world today, and new reports say the consequences of global warming will come sooner and be more catastrophic than expected if we fail to act in time.

❖ With his help we will see that all life is one...

Acting as one human family, we will rebuild our world along more just and compassionate lines, and thus create the only basis for lasting peace.

❖ His public work has already begun...

As millions worldwide take up his call for peace through sharing, he will acknowledge his role as World Teacher, the one awaited under different names by people of all religions and by those who simply wish for a better life for all—a Teacher for all humanity.

SAFETY AT AMUN

AMUN places extreme importance on the safety of our participants and guests. We hope that you have an excellent and fun learning experience while at the Conference, but encourage everyone to consider safety issues in and around the Conference hotel. We also suggest that you follow several common sense rules to keep all participants safe during the Conference. These include the following:

- As a general rule, do not leave the hotel grounds without letting your group know how to find you;
- Always let one of the leaders of your group (faculty, club officer, etc.) know where you are going prior to leaving the area around the hotel (to visit local friends or relatives, etc.);
- Never leave the hotel alone after dark;
- Always travel with at least one person that you know;
- Always remove your name tag prior to leaving the hotel so as not to advertise yourself as a tourist;
- Help other participants to be safe by encouraging others to not travel outside of the hotel alone;
- Inform one of the leaders of your group immediately if you have a safety concern, or if any emergency situation occurs to you or another participant, regardless of the time; and
- Remember that safety should always be more important than avoiding minor embarrassment to you or another person.

Please feel free to contact the AMUN staff at any time during the Conference, day or night, if any emergency or similar event occurs where we can be of assistance. **We can be reached in the Ohio Room on Level 2 of the Sheraton Chicago Hotel and Towers, or find any Secretariat member wearing a blue badge.** Overnight, we can be reached on AMUN's phone at 773.777.AMUN(2686). If an emergency occurs that requires immediate help, you should contact hotel security (dial 0 and ask the operator for "security") for assistance.

AMUN's goal is to provide an *educational, fun and safe experience* for everyone – and we appreciate your help in reaching that goal!
