## About American Model United Nations

After thirty years, American Model United Nations International remains committed to providing an outstanding simulation of the United Nations to all who attend. AMUN will continue to expand horizons and pursue our international theme to provide the best possible simulations to our participants. AMUN is pledged to expand UN education through the Model UN experience, and firmly believes that students should attend as many conferences, in as many locales as possible, to get the best UN educational experiences available. We hope AMUN will be one of many conferences your school participates in throughout the year.

## Chicago

Chicago is a major metropolitan hub, offering easy and inexpensive access from anywhere in the world. Our fine city will welcome representatives from around the country and around the globe. The culture, dining and nightlife are unparalleled in the Midwest. The Art Institute, Field Museum, Michigan Avenue, State Street and all of the fantastic neighborhoods offer just some of the unique opportunities for excitement outside of the conference.

## Time of Year

AMUN was created to fill a need in the Model UN community: to hold a major conference in the fall. Representatives have plenty of time for preparation and AMUN's conference dates are ideal for participation by a fall International Relations or UN class. Many schools attend AMUN as the first in a long line of MUN conferences in their school year.

## Internationally Renowned Speakers

AMUN has been honored to host a number of renowned keynote speakers in past years, including UN General Assembly President Dr. Theo-Ben Gurirab, Ambassador Ahmad Kamal of Pakistan, Honorable Harold Stassen, the last living U.S. signatory of the United Nations Charter, UN Under-Secretary-General Gillian Martin Sorensen and Paul Rusesabagina.

## Registration

Schools may register for AMUN via our online registration form. Assignment of delegations will be made on a first-come, first-served basis and secured by a nonrefundable \$100.00 deposit. Checks should be made out to "American Model United Nations," and credit card payments may be made via our secure store at [www.amun.org](http://www.amun.org).

**We Hope Your School Will Join Us for AMUN 2022**
