

American Model United Nations Security Council B

SC-B/PRST/2025/2

Statement by the President of the Security Council

1 At the meeting of the Security Council, held on 25th of November, 2025, in connection with the
2 Council's consideration of the item entitled "Situation in the Middle East Including the Palestinian Ques-
3 tion," the President of the Security Council made the following statement on behalf of the Council:

4 The United Nations Security Council (UNSC) has adopted a resolution establishing a Center for
5 Dialogue and Mediation (CDM) for voluntary parties to the situation in Israel and Occupied Palestinian
6 territories.

7 Noting the dialogue and mediation between the State of Israel and Occupied Palestinian terri-
8 tory there is importance for the creation of a CDM, which focuses on bringing Israelis and Palestinians
9 together to conduct dialogue sessions. The Center will be housed in Amman, Jordan, and administered
10 by the United Nations.

11 We call upon all Member States for funding for the CDM and to support the establishment of a
12 Center for Dialogue and Mediation. We emphasize the need for global collaboration to prioritize peace
13 and prosperity, world wide.

14 The Security Council will continue to pay close attention to developments.
