

*American Model United Nations*  
**General Assembly First Committee**

GA First/II/2

SUBJECT OF RESOLUTION: Youth, disarmament and non-proliferation

SUBMITTED TO: The General Assembly First Committee

*The General Assembly First Committee,*

1        *Recalling* its resolution General Assembly A/RES/75/45 on Youth, Disarmament and Nonproliferation,  
2        which emphasized the crucial role of youth in fostering a culture of peace and security,

3        *Acknowledging* the importance of disarmament and nonproliferation efforts in maintaining international  
4        peace and security,

5        *Recognizing* the potential of youth as agents of change and contributors to global efforts in promoting  
6        disarmament and preventing the proliferation of weapons,

7        *Acknowledging* the significance of previous international agreements and resolutions on disarmament and  
8        non-proliferation including Youth, Disarmament and Nonproliferation biennial resolution (2019 & 2021), Biological  
9        Weapons Convention (BWC), Chemical Weapons Convention (CWC),

10       *Affirming* the need for a comprehensive approach that integrates gender perspectives and contributions of  
11       youth in disarmament and nonproliferation initiatives,

12       *Recalling* its commitment to the ideals of the Charter of the United Nations and the crucial role of youth in  
13       achieving and maintaining international peace and security,

14       *Recognizing* the continued challenges posed by the proliferation of conventional and unconventional weapons  
15       and the importance of disarmament efforts in addressing these challenges,

16       *Acknowledging* the need for a multilateral approach that actively includes the perspectives and contributions  
17       of youth in the formulation and implementation of disarmament and nonproliferation policies,,

18       1. Providing healthcare to affected regions through mobile-clinic programs leading to increased access to  
19       reproductive health services;

20       2. Recommending that the Security Council to strengthen monitoring and prevention of sexual violence in  
21       conflict as stated in Resolution 2106 [2013];

22       3. Calling on Member States to increase participation of women in discussions on the preventions and  
23       resolutions of youth and disarmament;

24       4. Calls for funding on a voluntary basis for furthering education programs, and greater training for teachers;

25       5. Calls for support to enhance current education systems through the creation of better engaging lessons  
26       through initiatives such as Leaders to the Future by United Nations Office of Disarmament affairs;

27       6. Actively tackle corruption within schools through the inspection of educational administrators through  
28       initiatives;

29       7. Developing online platforms and networks to facilitate global collaboration among youth organizations  
30       working on disarmament and nonproliferation efforts, fostering the exchange of ideas and best practices;

31       8. Coordinating with international nonprofit organizations to engage with youth populations especially in  
32       regions of prevalent violent extremism, including the Middle East and Sub-Saharan Africa;

33       9. Encourages member states to support research, development, and innovation contests among young  
34       scientists and researchers, with a focus on developing solutions related to the challenge of disarmament and nonpro-  
35       liferation;

36 10. Establishes and strengthens educational programs aimed at raising awareness among youth populations  
37 about the dangers of weapons proliferation and the benefits of disarmament.
