SC/HSC HOTEL RESERVATION REMINDER

Make your Sheraton reservations now!

27 April 2017

Dear SC/HSC Delegations,

Thank you again for registering to participate in the 2017 American Model United Nations Conference. You are receiving this message because your school has elected to represent a country that is represented on the Security Council and/or one of the two Historical Security Councils.

As you are aware, these premier simulations culminate in a challenge to Representatives to participate in the diplomatic resolution of a dangerous world situation, commonly referred to as the crisis or emergency session. This session takes place overnight, beginning Tuesday morning during the Representative Dance at 1:00 a.m. and concluding later that morning.

Because of the timing of this session, AMUN strongly recommends that schools with students participating in these simulations ensure that their students have rooms at the main Conference hotel, the Sheraton Grand Chicago. Please note that our room block at the Sheraton is often full by early to mid September. We will send another reminder in the fall, but the earlier you can make your hotel reservations at the Sheraton, the better. To guarantee that your students will be able to participate in this overnight session without needing to leave the Conference hotel, we suggest that you book your rooms at the Sheraton as soon as possible. At the very least, we recommend booking a room at the Sheraton for your Security Council or Historical Security Council representatives for the duration of the Conference.

Reservations at the Sheraton Grand Chicago can be made now by calling [312.464.1000](tel:312.464.1000). You will need to ask for the Reservations Department, and to ensure our favorable rates, you must tell them that you are with the "American Model United Nations" group. Alternatively, you may complete and submit the Sheraton reservations form linked [from our website](#). This form allows you to directly interact with the on-site liaison for our group, who may expedite the reservation process for your group. Instructions are included on the form.

Additionally, if any of your contact people have changed for the 2017 conference year please complete the [AMUN Contact Update](#) form to update your school's information (name, e-mail, phone number and mailing address). Note that we can send postal mail to only one contact

person, but we are happy to send e-mail to additional contacts at each school. Please let us know if you would like to add anyone to our e-mail distribution list.

As always, we look forward to working with you. Please contact us with any questions.
