2018 Simulation Topics and Conference Handbooks *And Special Information about the AMUN Accords Blog*

Greetings from the AMUN Secretariat. Please find below information about AMUN Conference Simulations, Conference Handbooks and the AMUN Accords blog.

AMUN 2018 Conference Simulations

We are pleased to announce that the American Model United Nations Executive Committee has made the final topic selections for the 2018 Conference. You can find a [complete list of our simulations and topics](#) on our website.

Thank you to everyone who participated in the Committee on the Agenda meeting at the 2017 Conference. Your feedback and input are invaluable as we work to create an accessible, interesting and engaging agenda for your representatives.

AMUN Conference Handbooks

This year AMUN will no longer be providing a printed copy of the *Issues at AMUN* and the *AMUN Rules and Procedures* handbooks. These handbooks will now be exclusively available online. They can be found at <https://www.amun.org/handbooks/> once they're available in the fall. For those of you who hate trees (or love reading comprehension), these online handbooks will be printer-friendly. This also means that these handbooks are no longer available for purchase from the AMUN Store. AMUN will continue to print our Conference Program for all Representatives at Conference.

The AMUN Accords Blog

The [AMUN Accords blog](#) will continue to provide information that will help make your conference preparations easier in 2018. The blog is produced by the AMUN Secretariat and guest contributors and seeks to provide information about the AMUN Conference, Simulations and Topics and general United Nations information that may assist your representatives in their preparations for AMUN or

any Model United Nations conference. New content is produced approximately once a week, and in the run-up to Conference content is released more frequently.
