Getting the Most of AMUN Communications

Make sure your school has all the up-to-date information

Greetings from the AMUN Secretariat. AMUN sends out several important emails prior to each year's Conference; please do your part to make certain your school is receiving all the information they need to prepare for an educational and enjoyable AMUN Conference. If you're no longer the correct person to be receiving AMUN Communications, please use our online [Change of Address/Contact](#) form to give us your current information. You can also use this form to tell us if your school no longer runs a Model UN program or will be unable to attend this year's Conference.

Information for Your Students

Please pass along this information about our social media accounts and our blog to your students. AMUN uses social media and the *AMUN Accords* to share a lot of useful preparatory and of-interest information with students preparing for our, or any, Model UN Conference.

- The [AMUN Accords Blog](#): The *AMUN Accords* offers a wealth of information on AMUN topics and simulations, the function and philosophy of the UN and Model UN best practices. All of the *AMUN Accords* content is generated by volunteers with a wide range of expertise. The *AMUN Accords* generally updates weekly, but it updates more frequently in advance of our fall conference.
- [Twitter](#) & [Facebook](#): AMUN uses our social media accounts to bring attention to UN News of note, push conference updates, announce when new *AMUN Accords* posts are live and make sure that no one forgets the reason why we started doing Model UN in the first place: because it's fun!

Contribute to the *AMUN Accords*!

The *AMUN Accords* is written, edited and published entirely by volunteers who want to improve the state of Model UN nationwide. To that end, we're looking for contributing authors for the blog. If you're interested in sharing your experiences or best practices for Model UN or writing about any of our [suggested/requested topics](#), please let us know by emailing accords@amun.org.

Questions, Comments or Concerns?

If you have any questions about this email, please contact us directly at mail@amun.org, and we will be happy to help. As always, if you are no longer the primary contact for your school's Model UN club or class, please contact us at mail@amun.org with updated contact information or fill out our [Change of Address/Contact](#) form online.

Good Luck on Your Preparations,

Nia Indelicato
2018 Secretary-General
