NEW RESOURCE: AMUN DIGITAL CALENDAR

Keep up-to-date with all AMUN events and deadlines

For your convenience, we have now created a AMUN Digital Calendar which you can add to your mobile devices and Google or Outlook accounts. Doing so will keep you current on all AMUN events and deadlines.

HOW DO I ADD THIS CALENDAR?

Viewing this on your mobile device? Just click [here](#).

Didn't work? Troubleshoot your Google accounts [here](#). And troubleshoot your Outlook accounts [here](#). Note that the troubleshooting sections cover instructions for mobile devices and desktop/laptop computers.

To add the calendar to either your Google Calendar or Outlook on your desktop, copy and paste the following link:

https://calendar.google.com/calendar/ical/amun.org_upisfgcm7leoku83cbmb8kllmo%4ogroup.calendar.google.com/public/basic.ics

Then follow these instructions: For Google Calendar, click [here](#); and Outlook, click [here](#).

CAN I VIEW THE CALENDAR ONLINE WITHOUT ADDING IT TO MY DEVICE?

Yes! If you'd like to view this calendar on your browser, just click [here](#). Be aware, that when you're viewing this calendar early in the year it will only have position paper and invoice deadlines, but as the year progress we will be adding information about the year's conference and other AMUN information.

WILL I NEED TO ADD THIS EACH YEAR?

Nope! Add it once and it will stay with you until you [remove the calendar](#). You'll be kept up-to-date about AMUN events year round.

I'M STILL HAVING TROUBLE!

Can't get it added? Email us at mail@amun.org with your technical questions and we'll get you help as soon as we can.
