

American Model United Nations Conference Preparation Newsletter

20 November 2018

Thank You for Participating at AMUN 2018! *We had another amazing year!*

Greetings from the AMUN Secretariat. American Model United Nations would like to thank you for participating in the 2018 AMUN Conference, our continued success as a Model UN program would not be possible without our wonderful attendees. AMUN Staff is already hard at work on preparing for AMUN 2019, AMUN's 30th Anniversary! We hope that you, and all your students, had a fun and memorable conference experience and that many of you will be back for next year!

2018 Committee Award Lists

During the closing session, we announced the 2018 award winners, both for specific simulations and for overall best delegation. AMUN prefers to de-emphasize awards, as we believe they can create an atmosphere of competition that can detract from the educational goals of AMUN. To this end, representatives themselves, rather than AMUN Secretariat members, vote on awards. We believe representatives are in the best position to evaluate fellow representatives on all areas of the conference: speaking, caucusing, drafting documents and working toward consensus. A list of the 2018 award winners is available with this [direct link](#). We would like to congratulate all representatives on their work over the course of the 2018 Conference.

Not Too Late To Provide Feedback

AMUN only continues to be one of the world's leading Model UN Conferences by listening to our customer's feedback. If you haven't had a chance to [complete a Conference Survey](#), please do so now. We're constantly incorporating ideas we receive from customer feedback as we aim to continually improve our Conference. Additionally, if you did not get a chance to attend the 2018 Committee on the Agenda, please [complete this survey](#) on the current and future topics of the AMUN simulations to help shape the debate for 2019.
