American Model United Nations Conference Preparation Newsletter 2020 Prep has Begun & AMUN's 2019 Final Report

Greetings from the AMUN Secretariat. Please find information about the 2020 Conference, the 2019 Final Report and Conference Surveys below.

AMUN's 2020 Prep Work has Begun

The AMUN website is ready for 2020! You will find a list of simulations for 2020 on our [Simulations and Topics](#) page, and we will post the specific topics for each simulation once they've been set by the AMUN Executive Committee. The [Assigned Countries](#) and [Available Countries](#) pages are also ready for viewing and have been updated to reflect the country assignments made during the lottery. Please take a moment to review your 2020 country assignment, and contact us immediately if you have any questions. And remember, if you didn't get a chance to participate in the 2020 Delegation Lottery, it's not too late to [reserve a country for 2020](#).

AMUN's Final Report

[AMUN's final report](#) is the record of all work completed at the 2019 Conference. This year we had some exceptional work completed in all simulations. The final report includes:

- Every Resolution passed by each simulation,
- Reports produced by report-writing bodies
- Memorials and opinions for the International Court of Justice
- Findings from the Historical Commission of Inquiry
- Every *AMUN Chronicle* produced by the International Press Delegation
- Summation of the work by the Combined GA and ECOSOC plenaries
- The Conference Program

We're Still Looking for a Few More Volunteer Staffers

We are still accepting applications for the 2020 Secretariat. Staff positions are open to juniors, seniors or recent graduates who are interested in helping run the AMUN conference. If you, or any of your students or club members are interested in joining staff, or has any questions, please contact sg@amun.org for more information.

It's Not too Late to Provide Feedback on AMUN 2019

You can still provide feedback on this year's Conference. We use our faculty and student feedback to improve our conferences every year. We've recently used that feedback to change our Expo from Tuesdays to Mondays, to reduce the amount of time in our Closing Plenary Sessions, and in the frequency of AMUN communications. You can find a link to the survey [HERE](#).

ICJ, IPD and COI

Applications for open slots as a justice on the [International Court of Justice \(ICJ\)](#) or a reporter for the [International Press Delegation \(IPD\)](#) are now open. Applications for the remaining positions as a commissioner on the [Historical Commission of Inquiry \(COI\)](#) will be available in 2020. Please stay tuned for this announcement and application details, which we will make via email and our social media accounts.

Questions, Comments or Concerns?

All school communications are posted to our website as they are sent. This provides you with an easy way to reference previous communications as needed. Please visit [Conference Mailings](#) at any time to review these important updates.

If you have any questions about this email, please contact us directly at mail@amun.org and we will be happy to help. As always, if you are no longer the primary contact for your school's model UN club or class, please contact us at mail@amun.org with updated contact information or fill out our [Change of Address/Contact](#) form online.
