### Simulation Guides & Conference Calendar

Greetings from the AMUN Secretariat. Preparations for the 2020 Digital Conference continue!

#### **AMUN Simulation Guide Supplement: How to Prepare for a Virtual Model UN Conference**

AMUN has prepared a supplement to the simulation guide focused on preparing the for Model UN in a virtual environment. This chapter includes looking at the following concepts from an online perspective.

- Presentations
- Caucusing
- Student Assessment
- Post-Conference Class Opportunities

You can access this supplement as a [free download](#) on our Teaching and Training Model UN Resources page.

#### **Model UN in a Box Simulation Guide**

We are working on putting together a physical mailing to send the Model UN in a Box simulation guide to interested schools. Because of the timing and the fact that there is not an updated version for 2020, **we will only be mailing the guide to those schools that affirmatively confirm that they would like us to mail it to them by 1 October.**

Please complete this [form](#) to confirm your interest in receiving the guide this year.

Attached to this email is a flyer including instructions on how to download the digital portion of the Model UN in a Box guide.
