Attendance & Safety at the 2021 Conference

Greetings from the AMUN Secretariat. The Memorial Day weekend is always an important one for AMUN as we use it as a planning weekend for the year's conference. We had an excellent meeting this year as we prepare to re-open as an in-person conference in 2021. Please see below for more information about this year's conference.

Attendance & Safety Survey

One of the most critical aspects of having an in-person conference in 2021 is ensuring that our attendees feel safe and have an enjoyable experience, even with some remaining Covid-19 restrictions in place. Please take a moment to complete [THIS SURVEY](#) that will help us make decisions on health and safety considerations for this year's conference.

Reminder: Combined General Assembly Plenary Survey

As a reminder, we are still soliciting feedback from our faculty advisors and student leaders on our Combined General Assembly Plenary session at the end of each year's conference. We are considering removing the Plenary session from our agenda and would like to hear from you regarding whether to continue this session or not. Please take a few minutes to give us your thoughts by [completing this short survey](#).
