AMUN Vaccination & Mask Policy

Greetings from the AMUN Secretariat. We take the health and safety of our conference attendees, conference staff, hotel staff and hotel guests extremely seriously. Please read the following communication carefully as it will outline the Conference Vaccination and Mask Policy. These rules will be in addition to any other health rules and advisories set by the federal, state or city governments. This email will provide a brief, general outline of the policies and links to the full policies.

Vaccination Policy

Vaccinations will be required for all conference attendees. The full round of vaccinations must be complete prior to 14 days before the start of Conference, Monday, 9 November 2021. Please begin communicating this requirement to your participants.

As we are offering options for virtual participation, at this time, no exemptions will be granted. Please contact us at mail@amun.org to discuss specific cases. Children who are not eligible for vaccination may be present in Conference spaces with a parent/guardian.

The full policy and more information about verifying compliance for this requirement will be forthcoming. Refusal to comply with the vaccine requirement may result in ejection from the Conference.

Mask Policy

AMUN will require all credentialed attendees to wear a mask at all times. These masks must adhere to State and CDC guidelines and must cover the mouth and nose at all times while in any part of the hotel outside of private hotel rooms. Any participant not wearing a mask will be asked to leave the conference level immediately.

There are no exceptions to this policy. Any students or faculty advisors unwilling or unable to adhere to this policy are encouraged to remain home and attend one of AMUN's virtual sessions.

Refusal to comply with the mask policy may result in ejection from the Conference.
