

## American Model United Nations Conference Conference Alert 19-22 November 2022

02 November 2022

### Update for Security Councils

Greetings from the AMUN Secretariat. While this update is primarily for students that will be on one of our Security Council simulations, it contains information that is relevant to everyone. Remember, even if your country does not have a seat on the Security Council, they may still be asked to appear there as a Party to the Dispute or be invited to speak if the Security Council holds an Open Meeting.

### Update to Contemporary Security Council Topic Brief

In preparation for the Conference, the Simulations Staff for the Contemporary Security Council will be posting short situation reports, or topic updates, to the Security Council chapter of the online [AMUN Handbook](#). These will be listed directly under the Security Council heading at the top of the page. They will be posted on a regular basis, so please check the page occasionally.

The second and third updates of 2022, regarding Maintenance of peace and security of Ukraine and The Situation in Haiti, are [now available here](#). Please note that as they become available, new updates will be listed at the top of the [Security Council Topic Brief](#) in the *AMUN Handbook*.

### Conference Mailings

AMUN sends out regular communications like these with important information and conference updates. These communications are available on our [website](#). Please refer back to this page at any time to make sure that you are current on AMUN communications and feel free to distribute the link to your participants.
