DD MON 2022

Final Report is Online & 2023 Prep

Greetings from the AMUN Secretariat. Please find information about the 2023 Conference, the 2022 Final Report and Conference Surveys below.

AMUN's 2023 Prep Work has Begun

The AMUN website is ready for 2023! You will find a list of simulations for 2023 on our [Simulations and Topics](#) page, and we will post the specific topics for each simulation once they've been set by the AMUN Executive Committee. The [Assigned Countries](#) and [Available Countries](#) pages are also ready for viewing and have been updated to reflect the country assignments made during the 2023 Country Lottery. Please take a moment to review your 2023 country assignment, and contact us immediately if you have any questions. And remember, if you didn't get a chance to participate in the 2023 Delegation Lottery, it's not too late to [reserve a country for 2023](#).

AMUN's Final Report

[AMUN's final report](#) is the record of all work completed at the 2022 Conference. This year we had some exceptional work completed in all simulations. The final report includes:

- Every resolution passed by each simulation
- Reports produced by report-writing bodies
- Memorials and opinions for the International Court of Justice
- Every *AMUN Chronicle* produced by the International Press Delegation
- The Conference Program

We're Still Looking for a Few More Volunteer Staffers

We are still accepting applications for the 2023 Secretariat. Staff positions are open to juniors, seniors or recent graduates who are interested in helping run the AMUN conference. If you, or any of your students or club members are interested in joining staff, or have any questions, please contact sg@amun.org for more information.

It's Not too Late to Provide Feedback on AMUN 2022

You can still provide feedback on this year's Conference. We use our faculty and student feedback to improve our conferences every year. We've recently used that feedback to change our Expo from Tuesdays to Mondays, to reduce the amount of time in our Closing Plenary Sessions, and in the frequency of AMUN communications. You can find a link to the survey [HERE](#). As a reminder, surveys will only be able to be submitted online until 6 December 2022.

ICJ and IPD

Applications for open slots as a justice on the [International Court of Justice \(ICJ\)](#) or a reporter for the [International Press Delegation \(IPD\)](#) are now open. It's never too early to reserve a seat on these limited participation simulations.
