

American Model United Nations Conference Conference Alert 18-21 November 2023

26 October 2023

Palestine and Lebanon Available for Assignment

Greetings from the AMUN Secretariat.

As part of our commitment to realistic simulations AMUN strives to ensure that multiple sides of issues are represented at our Conference. Currently, Palestine and Lebanon are both unassigned for our up-coming conference. Taking into account current challenges facing the United Nations and the world, having these Members represented will provide important context to world events.

If you are interested in representing either Palestine or Lebanon, please contact us at mail@amun.org. We recognize that the Conference is approaching quickly, and AMUN staff is available to assist with preparations if necessary.
