Join the AMUN Secretariat

If you or your students loved their experience at AMUN, know that we loved having you! The conference can only happen due to the contributions of our all-volunteer staff. Many staff members support the conference for four to five years and learn valuable skills they use in other parts of their life. We are looking for volunteers to join AMUN Staff so we can continue to put on an exceptional educational experience for students to enjoy.

If you have any students who have completed one year of college and are looking to extend their model UN experience, this is an ideal opportunity for them. Please encourage your students to [apply for staff online](#).

AMUN is a 100% volunteer staff. There are no paid positions but small travel stipends may be available. Staff are expected to attend in-person training in Chicago over Labor Day weekend and a few days before the Conference begins. For many of us, a key value of AMUN is the network of lifelong friends and family we make as volunteers.

Thank You! Merci! ¡Gracias! 谢谢你！ありがとう！Благодарю вас!
